TRIPLE S CUSTOM

ALBERT CITY, IOWA

AGRICULTURAL LIME

$8 / TON

1,225 ECCE

MORE VALUE FOR YOUR LIMING DOLLAR

Correct soil acidity with an economical alternative to quarry lime. Triple S Custom offers agricultural lime in Albert City, with delivery and spreading available.

WHY CONSIDER OUR LIME?

LOW MATERIAL COST

At $8 per ton, our lime gives you a competitively priced option. Compare delivered and spread cost at equivalent ECCE.

USEFUL BYPRODUCT

Give a liming byproduct a productive agricultural use while addressing your field's soil-acidity needs.

LOCAL SERVICE

Lime located in Albert City. Choose VRT or straight-rate spreading, with delivery available for your operation.

DELIVERY

$5.60/ton minimum

$.28 per ton per mile after 20 miles

SPREADING

VRT: $11.50 / ton

Straight rate: $11.00 / ton

Delivery and spreading are additional. Base application rates on current soil tests and lime analysis.
